

# PTHS 2018 Yearbook Senior Photos

## **IMPORTANT SENIOR YEARBOOK INFORMATION:**

This is a reminder that the deadline for submitting senior photos is **Friday, January 12th 2018**. Please don't wait until the last minute to make an appointment with a photographer. If you don't turn a picture in, we will use your school ASB photo ID, if you had one taken or the Yearbook staff can take your picture. Photos will be in color in the yearbook, unless you submit it in black and white. Remember, it is your responsibility to get us your senior photo either by attending one of the three school picture days or by submitting a photo that adheres to the requirements below:

## **Picture requirements:**

- \*Turn in sharp photos (completely in focus, 200-300 dpi)
- \*Use a non-distracting background
- \*Please keep frame to head and chest only. Hands in the photo tend to make pictures look cluttered. Leave some space above the top of the head and to each side as shown in the example below.
- \*Inform your photographer that picture dimensions will be approximately 2.5x3 inches.

Please turn in your photo to the yearbook staff in digital form if possible. Photographers may also send in digital copies to [tgambill@ptschools.org](mailto:tgambill@ptschools.org) AND to the PTHS Senior Section Mgrs: **Ally McCallum** (PTHS class of 2018) [allymccallum17@gmail.com](mailto:allymccallum17@gmail.com) or **Ingrid Schultz** (PTHS class of 2018) [ingridschultz596@gmail.com](mailto:ingridschultz596@gmail.com) *Please include, in the email you send us, a request that we email you back that we got the email.*
